PROFILE

I graduated from **Computer Science** (Information System Department) faculty of Herat University. I have strong analytical and problem-solving skills related to web development. I am proficient in Java, C, and JavaScript, and I have experience working with HTML, CSS, Tailwind CSS, React.js and Next.js. Additionally, I am expanding my knowledge in databases and modern web technologies. Passionate about continuous learning and research, I am eager to enhance my skills and stay up to date with the latest advancements in web development and new technologies.
